

## Glen Casper Barn

This charming bright red old barn in Daniel belongs to Val and Laverne Ellis, located at 3328 South Daniel Road. It was built for Glen Casper, original owner, by John M. Thacker, his brother-in-law. Built about 1930, it had multiple uses - back part for cows, and divided into horse stalls in the front. The hay was stored in the top of the barn. Although the barn had a wooden roof at the time it was built, subsequently the roof had to be replaced when it caved in and now has a tin roof.
